SCHOOL ANNUAL REPORT 2024-25

The academic year begins on June 10 ,2024 with divine blessings of god and great support of our Visionary Management .

MORNING ASSEMBLY :

Every week our school assembly committee conducted general assembly educating the importance of prayer, thought of the day , Thirukkural verses , GK quiz and news reading grade-wise every week without fail. To cultivate patriotism in young minds which is one of the vision of our school, our national flag was hoisted followed by Pledge and Preamble during all our assembly session.

To make the assembly more interesting and thoughtful, we conducted a theme based assemblies in which class wise our students presented various awareness topics like Water conservation, Road Safety , Importance of Having Healthy food habits and nutritious food, Environmental cleanliness, Impact of technology in daily life, Learning life skills along with education, Mobile addiction and Gender Equality.

Societal awareness oath taking sessions were also conducted time to time as guided by our TamilNadu Education Department on Drug abuse, Eradicating Child Marriage ,Child labour and making corruption free society.

CAPACITY BUILDING PROGRAM -CBSE TRAINING

In providing a quality education ,CBSE board always concern and prioritize the training of the teachers .Last academic year our school principal and all the teachers has

attended various capacity building programs conducted by CBSE in various school campuses all over Tamilnadu. This Academic year our school has organised National level 2 days training program for CBSE school teachers under the topic “Competency Based Assessment -Secondary Level” with two eminent resource persons Mr.T.Thavasi Moni, Senior Principal, Vidyapeetam Sr.Sec.School,Sholingur, Mrs.M.Rajeswari,Academic Advisor,Hayagriva Vidhyashram Kanchipuram. 60 teachers from different CBSE schools all over Tamilnadu along with our school teachers has actively participated in the workshop. All the teachers gained knowledge about competency methodology of teaching and how to set standard question papers in all subjects as per CBSE BOARD. The two days training program went on with resourceful presentations, group discussions, activities and hands on training created a long time impact in all our minds.

Our School Principal served as Venue Director for this program has co ordinated this training program under the guidance of COE, Chennai. The arrangements organised for both the Resource persons and teachers who has arrived from other districts by our school manager under the guidance of our School Correspondent has been a great support for completing this great task in a proper manner.

ACADEMICS

The excellence of any school reflects based on the academic contribution to the students .Our school always committed to provide a stress free ,student centred and holistic approach to all children without any compromise. Our teaching team plans each and every academic activity keeping in mind to empower our students to become global leaders of the future society who can compete with the emerging societal needs.Continuous and comprehensive evaluation which we are practising in our school is the most important key factor which strengthens our academics.Our teachers adapt and innovate methods under the guidance of Principal to achieve academic excellence in conformity with

psychological, pedagogical and social principles. All our teachers approach the students in a friendly way .

As per the recommendation NEP 2020 to laid down a strong emphasis on early childhood care and education, we focus on play way method of learning in our Kindergarten classes. Understanding the importance of early child hood in a student's life , we focus on foundational literacy , numeracy , general awareness, phonetics, story telling , reciting rhymes in a play way method. Our KG kids were actively engaged in multiple fine motor and gross motor skill activities. Our teachers understanding the needs of each and every child in their class , facilitating and providing them a home care education in our campus.

Our primary aim is to foster a class room environment where all students feel valued and acknowledged. From primary to higher secondary our school curriculum provides learning method which involves acquiring knowledge and skills through direct experience and hands-on-activities. Our teaching faculties acknowledge and respect individual differences, incorporate diverse perspectives in lessons and promote inclusive learning environments inside the classroom.

The Principal and all the subject teachers designed and conducted various subject enrichment activities to enhance and deepen the understanding level of students .CBSE board has vigorously insisting all the affiliated schools to incorporate Art Integrated learning in all levels through continuous circulars and training programs. Art Integration in teaching involves incorporating various art forms like visual arts, music, dance, album making, story telling, clay modelling , puppet show into subject areas to enhance learning and engagement. It's a cross-curricular approach that uses art as a tool for students to understand concepts across subjects. Integrating art activates different parts of the brain, improving critical thinking, innovation and problem solving skills. We believe using appropriate teaching aids

in the classroom can significantly enhance student engagement, understanding and making learning process more interactive. It help students grasp complex concepts easily. Since all our classrooms are empowered with smart boards, we provide personalized learning thereby fostering collaboration and effective usage of online resources. We create opportunities for our students to share their perspectives and engage in respectful discussions. Our higher class students actively engaged themselves in taking seminar classes thereby sharing their views and knowledge among their peer groups.

Assessments are mandatory for measuring student progress against learning goals and standards, ensuring the educational objectives are being met. Assessments provide results to make real –time adjustments to our teaching strategies and lesson plans. Our school teachers prepare competency based question papers, monitored by the Principal adhere to the syllabus and CBSE board guidelines.

Our school examination committee plays a vital role in ensuring fair and transparent examinations, managing the entire examination process thereby maintaining the academic integrity.

To provide a platform for open and transparent communication between parents and teachers , identifying the strengths and improvement of student's progress we conduct regular parent teachers meeting periodically for all the classes.

INVESTITURE CEREMONY

Investiture ceremony were held in our campus on 5th September 2024 to honour the various Selected and Elected leaders of the Students Council by the school Principal with badges.

Master V. Sarathy of Grade IX and Miss. R. Edazhkavi of Grade VIII was selected as the School Head Boy and School Head Girl for this academic year.

Master V. Harish of Grade VIII and Master Siddharth of Grade VI was elected as Club President and Sports captain through students council election .

All the selected club secretaries of the students council and class leaders, assistant class leaders , bus leaders were honoured in the ceremony.

ACTIVITIES CONDUCTED AS PER CBSE CIRCULARS

CBSE board has given periodic instructions and circulars to conduct a number of activities in connection with special occasions celebrated during last year. Here I proudly present you the performances of our school students in various CBSE activities.

SAFAL which stands for structured assessment for analyzing learning ,which is a competency based online assessment for selective grades focusing on core concepts ,knowledge application and higher-order thinking skills as recommended by the NEP. This year our school Grade 6 and 9 students attended the online assessment of SAFAL 2025 conducted by CBSE board in which English ,Maths and Science core subjects were assessed. It gave our students a clear idea about competency based methodology and also their understanding level in main subjectsof their respective grades.

Shiksha Saptah 2024, celebrated from July 22nd to 28th, focused on seven thematic days, including TLM Day, FLN Day, Sports Day, Cultural Day, Skilling and Digital

Initiatives Day, Eco Clubs and School Nutrition Day, and Community Involvement Day. The whole school students along with the massive support of our parents enjoyed and actively participated in every day activities. Students involved and explored a lot throughout the week.

As our Government of India has declared August 23rd of every year as 'National Space Day' to commemorate the success of the Chandrayaan-3 mission, which accomplished the safe and soft landing of Vikram lander at 'Shiv Shakti' point and the deployment of Pragyaaan Rover on the lunar surface on 23rd August, 2023. We conducted drawing and quiz competitions for our Grade IV to X students, on this day to create an everlasting impact on our students mind about this successful mission and also to stimulate the curiosity of space science among the young minds.

Project Veer Gatha 4.0 was adopted by our Central Govt with the aim to disseminate bravery acts of the Gallantry Awardees. The motto of this program is to raise the spirit of patriotism among the students. In connection with this, Our school has taken initiative and conducted a Leadership Master Class on 03/10/2024 in our campus by Retd. Commander and Tahsildhar Major. Murukanandham who motivated our students about leadership skills and also shared his thrilling experiences during his service at Indian Army. He also guided our students about various examination patterns and training to join military services.

Drawing, Painting, Poem writing and Paragraph writing in connection with the topics Kargil Diwas, Tribute to Gallantry awardees, 1857 mutiny and War memorial was conducted for our Grade III to IX students.

ART integration day was celebrated in our campus as per the guidelines given by CBSE. To promote the cultural exchange among students this year pairing state given to TamilNadu schools is Jammu and Kashmir. Our school campus was completely transformed on that day and students performed dance, tribal music, displayed multicuisines, exhibited
